General Price List

Effective 3/1/2022

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff and Overhead \$1,650.00

Our services include: conducting the arrangements conferences, planning a funeral; consultation with family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs.

This fee for our basic services and overhead will be added to the total of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.

Embalming \$1,250.00

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement, such as direct cremation or immediate burial, that does not require you to pay for it.

Embalming is a chemical process that provides for the temporary preservation of the body and eliminates many of the noticeable effects of decomposition and can minimize certain health hazards. A person licensed by this state must complete this procedure in a specially equipped and state inspected facility.
